### ESL Course Placement by U.S. High School Transcript Assessment

Following [state law](#), students who completed at least grades 9-11 in a U.S. high school are eligible for transfer level English (EWRT) and math courses.

But if you identify as an English learner, and you are interested in taking optional ESL classes at De Anza, we can use your U.S. high school transcript information to determine your eligibility for ESL courses.

You can submit your U.S. high school transcript information for assessment to De Anza's Assessment Center using [this form](#).

#### *U.S. High School Transcript Assessment for*

#### *English as a Second Language (ESL) Course Placement Rulesets*

U.S. High School Grade Point Average (GPA)	Optional ESL Course Placement
