ATTENDANCE Once enrolled, if you wish to drop the class, **it is your responsibility to drop the class before the deadline as noted in the Schedule of Classes. If you do not participate on a regular basis, I may have to drop you.**

CHEATING Discussion and exchange of ideas on assignments is strongly encouraged expanding your learning experience. However, each person is expected to complete his/her own work. Identical solutions will be given a zero grade.

ASSIGNMENTS All assignments are to be submitted to my **email address NOT through Catalyst.**

The assignments measure your ability to apply course concepts to problem solving skills using software applications and discussion forums. Turn in your course work per the class schedule by the assigned due dates. **No late work will be accepted.**

Discussion Boards are crucial to your grade. Make sure you participate in the discussions using thoughtful answers. Simple answers will lower or lack of responses back and forth will lower your grade.
