1. This week's Diversity and Events committee had long discussions as to what activities would be added and removed from the Spring Carnival.
2. A lot of money was saved from removing the Dunk Tank and Basketball Hoop games with cheaper alternative such as a water balloon fight, whipped cream throwing, and a pizza eating contest.
3. With the money saved, we estimate that after Diversity and Event's Dodgeball Tournament, we will have \$1500 to use for one more event, which would most likely be an awesome dance that will take place in late spring quarter; this event will be entirely funded by DASB Senate and I would like to open this opportunity for clubs to sell tickets and generate revenue for your accounts.
