Exams: There will be two exams during the quarter. Your final exam (converted to a percentage) will replace your lowest scoring exam if it improves your grade. **There are no make-up exams.**

Final Exam: A comprehensive exam will be given on the final exam date.

Computer Lab: Lab classes will be held in the math computer lab: S44. You will use Mintab and other statistical software in analyzing data, learning statistical models and working on the class material Computer labs can be done in groups of no more than four people for a common grade and be turned in by email on the due

date. There is no credit for late labs received after midnight on the due date.

Adding/Dropping: If you choose not to complete the course, it is your responsibility to officially drop or withdraw from the

course by the deadline date. I will not sign late drop or with drawal forms.

Attendance: See MPS contract for attendance policies.

Changes: Information in this syllabus may be changed during the quarter, but you will be informed in advance.

Other Information: All students are expected to understand the college policy on cheating as outlined in the student handbook.

Plagiarism on the final project (submitting another's work as your own) will result in an immediate failure for the course for your entire group.
